To All,

I have a co-superintendent in Tye at MHC Kenworth. I would like to introduce you to Bill Burrow. I will be available by cell and email, but Bill will be taking over for me within the next two weeks. I will be moving on to my next project . It has been a pleasure working with all of you and hope to work with you in the future. You all have made this project a success and for that I am grateful. Your field superintendents and crews have been professional and great to work with. I am introducing Bill to the crews in the field currently. If you have any questions or concerns, please call me (214-587-6990) or Bill Burrows (214-551-5351) anytime.

Regards,

Paul Ryan
